**March 23 - “Drop Everything For Olde Towne”  
FUNdraising Event With Your Chance to Win \$1,000!**

**Williamsburg, Virginia, February 22, 2023** --- Olde Towne Medical & Dental Center will host its NEW Signature Fundraising Event: “Drop Everything For Olde Towne!” on March 23. The event features donor-purchased golf balls being dropped high above the Ford’s Colony Country Club’s Practice Green from the lift of a Dominion Energy Utility Truck. The one that lands in the hole wins \$1,000!

The funds raised will help enhance our behavioral health care services, increase education programs and resources for patients with chronic conditions and help to purchase needed equipment for the dental department.

The event will take place on Thursday, March 23, 2023 at 4:30pm at the Country Club and is Sponsored by Dominion Energy. The public is invited. From now until March 23 the general public can purchase a golf ball(s) for a nominal donation. The balls will be marked and then dropped from high above at 5:00pm. The one that makes a hole in one (or comes the closest) will win \$1,000. Prizes will also be given for the next 2 closest balls at \$250 and \$150 respectively. The purpose is to raise funds to benefit the patients of Olde Towne Medical & Dental Center while enjoying a new and unprecedented event that allows anyone to participate and donate to the non-profit organization.

Olde Towne is one of the few providers in the area caring for uninsured and under insured adults *and* children, a vulnerable population in the greater Williamsburg area. Olde Towne offers Integrated Health Care (primary care along with behavioral health) as well as dental, vision and maternity care and chronic condition management and education. They also have a medication access program that helps patients afford prescriptions necessary for their health care. The center also connects patients to other resources and

Executive Director

Aaron L Thompson, MBA, CMR

helps narrow the gap of health disparities for certain populations in the Williamsburg community.

“We invite all to come out and watch as we ‘Drop Everything For Olde Towne’ says Olde Towne’s Executive Director, Aaron Thompson. “We have been looking for a signature event that will not only raise funds for our facility, but will increase our visibility in greater Williamsburg and will allow us to share our mission while having fun. It is our hope that this will become one of the *must attend* events in the community.”

The event will feature networking with board members and meeting some patients of the center, cocktails available, registration for the April golf tournament and fun for all, along with a chance to be the lucky winner. For more details, visit their website at [www.oldetownmedicalcenter.org](http://www.oldetownmedicalcenter.org).

###
