

AROUND THE "TOWNE"

August 2026

A Message From The Executive Director

We're excited to unveil a brand-new look and name for our newsletter — welcome to Around the "Towne"! With a refreshed format, we're bringing you the latest news, updates, and stories from across Olde Towne Medical & Dental Center in a whole new way.

We're also just getting started in our new fiscal year, and the momentum so far has been strong and encouraging — a great sign of what's ahead for OTMDC.

We're also thrilled to welcome three new faces to the OTMDC family:

- Edward Vestergaard, Assistant Business Manager
- Anabelle Diaz, Marketing & Communications
- Lilli Hrncr, Clinical Assistant (Front Office)

Please join us in giving them a warm welcome as they get settled into their roles!

National Health Center Week

Since 1993, Olde Towne Medical and Dental Center has been committed to ensuring that quality healthcare is accessible to everyone regardless of income, insurance status or background. What began as a mission to meet a critical community need has grown into a comprehensive healthcare home offering medical and dental care, behavioral health, vision, prenatal care, health education, and so much more.

During National Health Center week, we celebrated not only our history, but the incredible people who make our mission possible:

August Is Make A Will Month

Have you made plans for your assets at the end of your life? Did you know there are significant benefits to having a plan in place when the time comes?

By including gifts and donations to causes YOU care about like OTMDC in your plans, you can maximize the impact in your community while benefiting you and your loved ones financially and emotionally.

Meet Our New Hires

OTMDC *Olde Towne*

WELCOME TO OUR TEAM
Anabelle Diaz

Marketing and
Communications Specialist

I'm from New York but moved to Williamsburg as a kid and have loved growing up here. In my free time, I love to crochet and vent at markets around town. If you see my crocheted booth at 2nd Sundays, come say hi! My goal during this transition is to continue spreading the word about OTMDC to the community and to bring a fresh approach to our social media!

our patients, dedicated staff, volunteers, community partners, and generous donors. Your support has helped us expand access to care, strengthen families, and build a healthier community for generations to come.

To our donors, thank you for believing in our mission and investing in the health and well-being of our community. Your generosity makes a lasting difference and allows us to continue providing care to those who need it most.

Thank you for being part of the Olde Towne story.

WELCOME TO OUR TEAM

Clinical Assistant

Hi, I'm LILLI. I grew up in Toano, VA for most of my life and recently graduated from the University of Virginia with a degree in computer science and Japanese. I am now working as a clinical assistant at OTMDC to connect more with my hometown and community. I'm excited to join the team!

WELCOME TO OUR TEAM

Assistant Business Manager

I was born and raised in NJ, but moved to Williamsburg a few years ago to be closer to my retired parents. I started out my career as a Transportation Logistics Coordinator with JB Hunt and most recently completed three years with Cardinal Health as a Clinical Operations Analyst. In my free time, my wife and I enjoy spending time with our dog Chloe and trying out different restaurants. I am excited to play a small part in the James City County ecosystem, and look forward to serving the community at OTMDC.

UPCOMING EVENTS

Stride For Wellness Fundraiser Run

Join us for Olde Towne's Stride for Wellness on Saturday, November 7th and help support quality healthcare for our community!

Whether you're racing the 10K, enjoying the 5K, or bringing the whole family for the Healthy Hike Fun Run, every step you take helps Olde Towne Medical & Dental Center continue providing compassionate, affordable healthcare to those who need it most.

Register to run today by visiting: bit.ly/StrideforWellness.

Not interested in running? Become a sponsor or volunteer at the event. We will also accept any in kind donations that are race specific or raffle items.

Student Vaccine Clinic

VACCINE CLINIC

OTMDC is hosting a vaccine clinic for students with Medicaid, without insurance, or who are underinsured.

August 21st and 26th
 9am - 4pm
 \$10 per student
 Olde Towne Medical and Dental Center (OTMDC)

Appointments are required.
Call (757) 259-3258 to schedule.

Back to school season is here! Make sure your student has the required vaccines before the first day of school. Join us at our upcoming vaccine clinic to help your family get school-ready. We look forward to seeing you!
